MDC 'S' Classic™ MDC 'S' Pony Classic™

International Hunter Derby / WCHR Champion
Hope and Avery Glynn

Having happily ridden in the MDC Hunter Classic™ for two years, I didn't think that they could be topped. Now that my daughter, Avery, and I have experienced the new MDC 'S' Classic™ and MDC 'S' Pony Classic™, we both agree they are awesome. For me, they keep my knees pain free after 50 rounds due to the improved stirrup angle. More impressive, Avery's position has been totally fixed—she loves them and I know they were the difference in her improved position. These stirrups are really and truly great!
